

My name is Simeon. I want to present you my portfolio which I plan to update regularly. I am currently a trainee Full Stack Developer at CodeYourFuture. The projects below are some of my bootcamp coursework / homework and were created to practice skills in a limited time frame, so they may not have the optimal code.
I included in my portfolio only those projects that I liked))

LETTERFALLS GAME

10/2022

JavaScript | Canvas

Web:

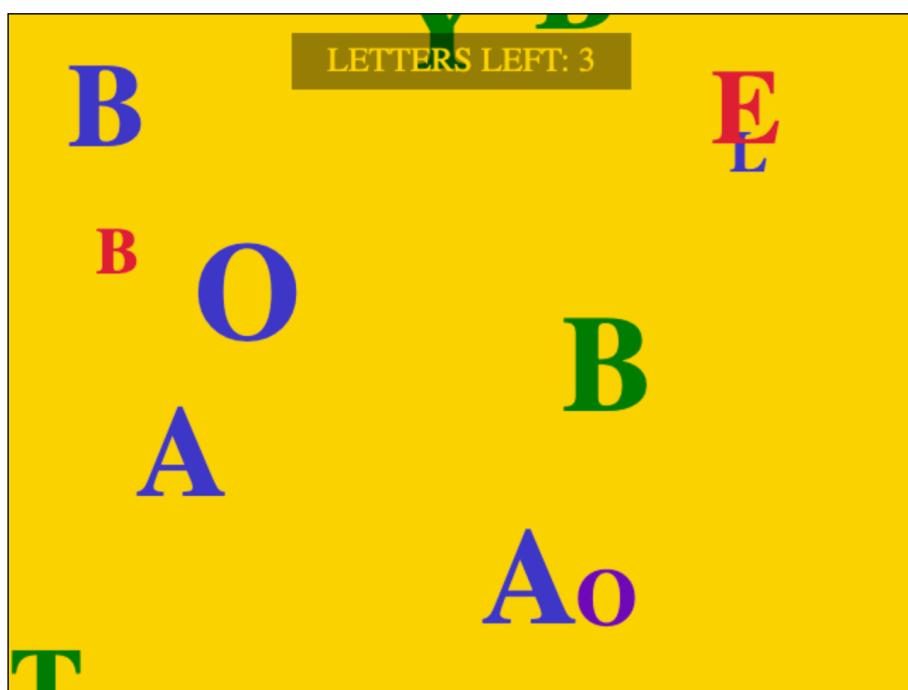

<https://lettersfall-game.netlify.app/>

My coursework in JavaScript.

The rules of the game are simple. When you start the game a random word appears that you need to remember. Then random letters appear at the top. You need to collect the correct letters from the word.

JUICE BAR

07/2022

HTML | CSS | Grid | Flexbox

Mobile / desktop version

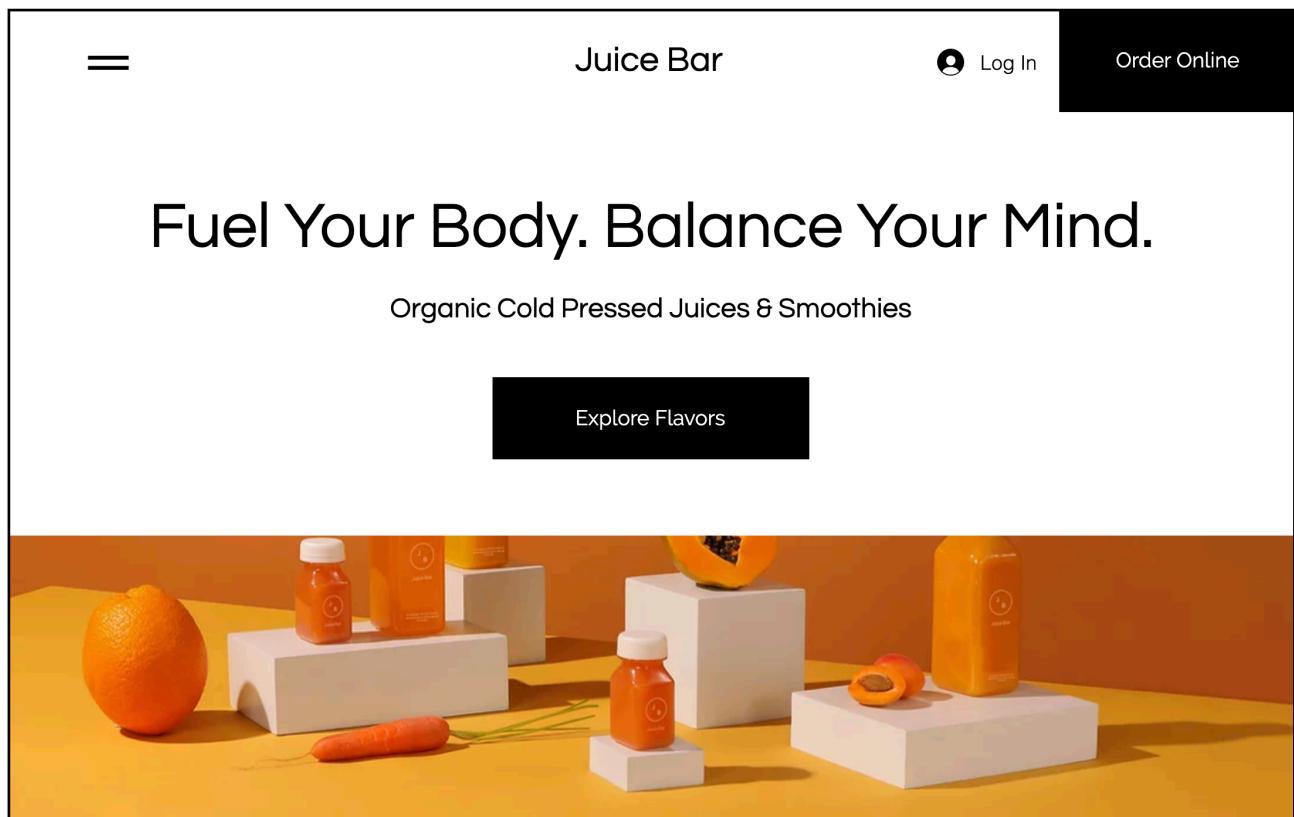

Web:

<https://cyf-simeonbikov-juicebar.netlify.app/>

Main requirements:

Create a mobile-first, responsive website. Use CSS Grid and flexbox for layouts and alignment. Save fonts and colours in CSS variables

Live demo here: <https://www.wix.com/website-template/view/html/2622>

Source code:

CAKES CO

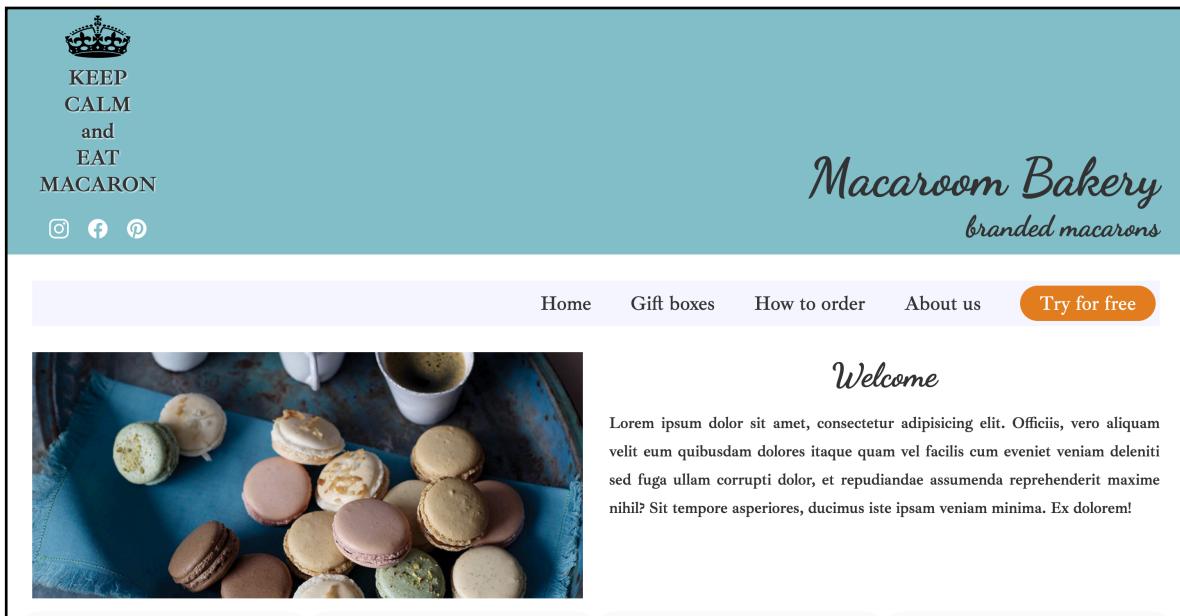

07/2022

HTML | CSS | Grid | Flexbox

Mobile / desktop version

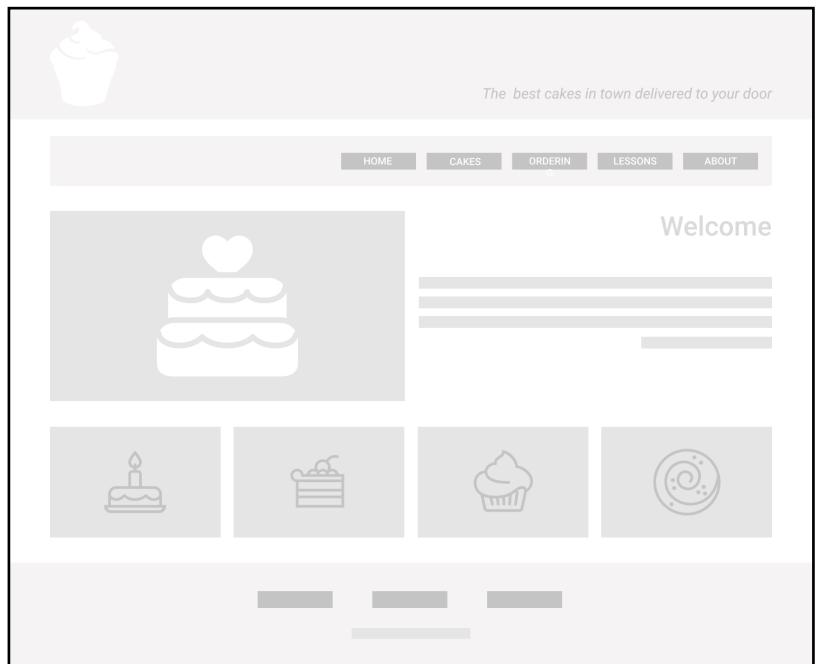

Web: <https://cyf-simeonbikov-cake.netlify.app/>

Source Code: <https://github.com/simeonbikov/HTML-CSS-Coursework-Week3>

Main requirements:

Create responsive webpage showcasing your cake business. Follow Mobile First principles. Choose 1-2 fonts to use. Choose 2-3 colours that you think go together well. Select some nice cake pictures to replace the placeholders in the wireframes. Add some cool hover effects to buttons and images.

KARMA CLONE

07/2022

HTML | CSS | Flexbox

desktop version

Web:

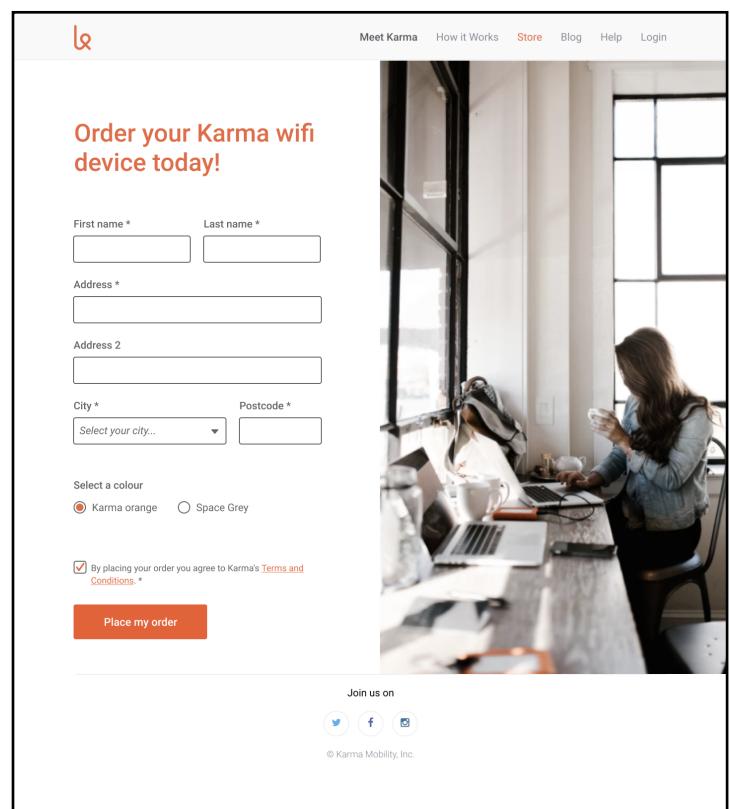

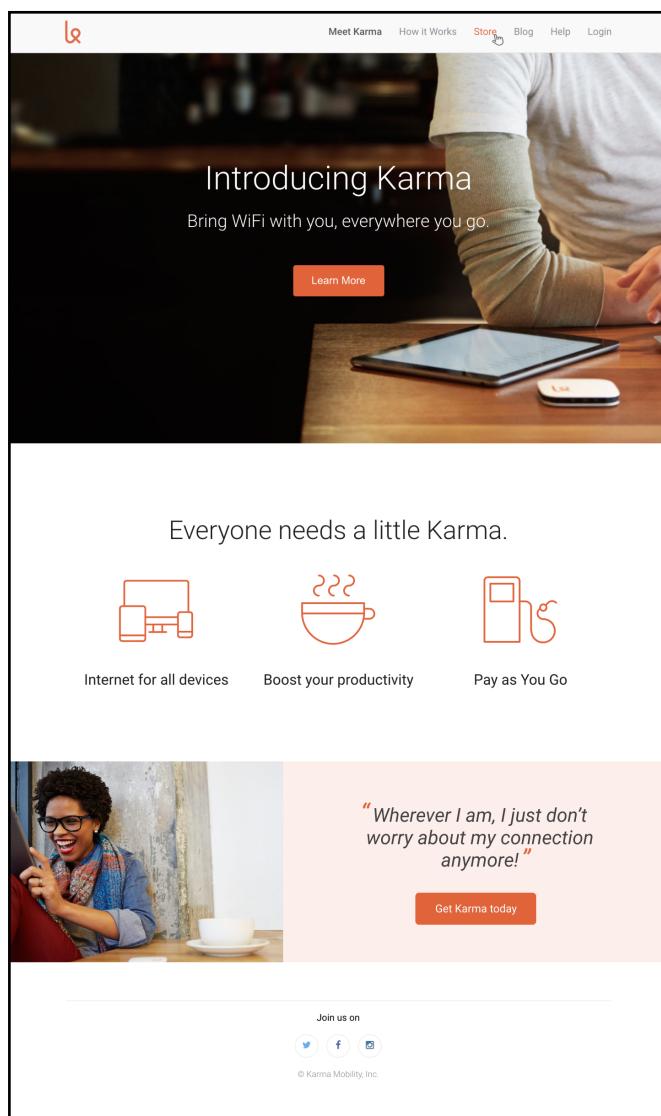

<https://cyf-simeonbikov-karma.netlify.app/>
<https://cyf-simeonbikov-karma.netlify.app/store.html>

Source code:

<https://github.com/simeonbikov/HTML-CSS-Module-Project2>

Main task:

Create the page from a sketch.

THE DAILY PROPHET

06/2022

HTML | CSS | Flexbox

desktop version

Main requirements:

Create a new webpage on a subject that you're interested in. It should include the following elements:

- A page header with a title and description for the site.
- An articles section with three articles, each including a title and summary.

Web:
