PROFILE

I am an enthusiastic, responsible and open to learning passionate developer, who is looking for a position as a Junior Front End Developer / Full Stack Web Developer. At the moment I am happy to be a trainee Full-stack Web Developer at CodeYourFuture in the West Midlands. Currently working towards improving my skills in JavaScript, CSS, HTML and I also build my skills in React, Node.js and SQL.

My strong suits are conceptual and analytical thinking, hard working and problem solving skills.
